# Commercial Exporters

## CYCAD INTERNATIONAL

## Rare and Unique

Stock plants in the vicinity of 30,000 Cycads ranging in size from medium to unique premium landscape feature plants.

Cycads are sold by the centimetre of caudex diameter (cm C.D.) or clear trunk height (cm C.T.) whichever is the greatest.

## Boab Trees

### Landmark Landscape Feature Trees

- Cycad International has secured for the first time 104 *Adansonia gregorii* (Boab) trees from the Kimberley area of Western Australia
- This is the only time that these trees have ever been available for sale on a commercial basis
- No further trees will be available in the foreseeable future
- Singapore Gardens by the Bay project have now taken delivery of eight large trees
